Rock and Roll

Castro

I drive too fast, that's what you always say.
and I move too slow - that's why we're always late -
but we always get there and we enjoy the ride.I'm not one to stay in between the lines
and I don't always see it black and white
like you
but I'll bring some color to your lifeWe don't always see eye to eye,
so it's a good thing that love is blind.
There's somethin' that you got to know -
Can't have the funk without the soul.
These little things, you gotta let them go.
You be the rock and I'll be the roll,
You be the rock and I'll be the roll.
I sing too loud, but you love every line.
And you talk too much, I still can't get enough of you,
I can't get enough of you.OhWe don't always see eye to eye,
so it's a good thing that love is blind.
There's somethin' that you got to know -
Can't have the funk without the soul.
These little things, you gotta let them go.
You be the rock and I'll be the roll,
You be the rock and I'll be the roll.Hey, baby
There's somethin' that you got to know.
Hey, little darlin'
I ain't never gonna let you go.
Hey, pretty lady
I ain't never gonna let you go.
You be the rock and I'll be the roll.
We don't always see eye to eye,
so it's a good thing that love is blind.
There's somethin' that you got to know -
Can't have the funk without the soul.
These little things, you gotta let them go.
You be the rock and I'll be the roll.There's somethin' that you got to know -
Can't have the funk without the soul.
These little things, you gotta let them go.
You be the rock and I'll be the roll,
You be the rock and I'll be the roll.
