Twisted Little Sister

Savatage

Twisted little sister
Rollerskate baby
Driving me crazy tonight
I'm bound in your luscious chains
Beat me and hurt me
I love to get into painYou never knew
What this pain could do for you
Go down-down-down
To the penitentiary
I tried suicide
Little sister rideHoping for more bodies to burn
For such an action
Call main attraction your love
I'm gagged-gagged and tied to a bed
Sweet tasting sister
Love what you do to my headYou never knew
What this pain could do for you
Go down-down-down
To the penitentiary
I tried suicide
Little sister rideBroken-broken heart at the seams
Hey I know you hate me
You know you ate me so mean
But now that my session is through
Twisted sister I'm longing for you (come here)
You never knew baby I need you.You never knew
What this pain could do for you
Go down-down-down
To the penitentiary
I tried suicide
Little sister ride
