

# Don't Ask Me to Choose

## Fine Young Cannibals

Advisory - the following lyrics contain explicit language:

You're going away you stay from hell  
Don't be stupid no I'm not upset  
Have you got all you need?  
Enough to eat and a book to read? I hope you have a wonderful time  
Here's a stamp just drop me a line  
If you meet somebody that you like  
Remember who you left behind Don't ask me to choose honey  
There's such a lot we've got to do  
Don't ask me to choose honey  
'Cause either way we stand to lose It's a risk we've got to take  
Though it could prove a grave mistake  
Honesty when love may break  
The very least it will just change its shape And by the end maybe it's to late  
An by the end maybe I will hate you  
For leaving me on the ground Don't ask me to choose honey  
There's such a lot we've got to do  
Don't ask me to choose honey  
'Cause either way we stand to lose Don't ask me to choose honey  
There's such a lot we've got to do  
Don't ask me to choose honey  
'Cause either way we stand to lose Don't ask me to choose honey  
There's such a lot we've got to do  
Don't ask me to choose honey  
'Cause either way we stand to lose Leaving me on the ground
