Eclipse

Roger Waters

All that you touch And all that you see All that you taste And all you feel All that you love And all that you hate All you distrust And all you save And all that you give And all that you deal And all that you buy, Beg, borrow or steal And all you create And all you destroy And all that you do And all that you say And all that you eat And everyone you meet And all that you slight And everyone you fight And all that is now And all that is gone And all that's to come And everything under the sun is in tune But the sun is eclipsed by the moon
