

Me In Honey

R.E.M.

I sat there looking ugly, looking ugly and mean
I knew what you were saying, you were saying to me
 Baby's got some new rules
 Baby said she's had it with me

It seems a shame to waste your time on me
It seems a lot to waste your time for me
 Left me to love
 What it's doing to me

There's a lot of honey in this world
 Baby this honey's from me
 You've got to do what you do
 Do it with me

It seems a shame to waste your time for me
 Left me to love
 What it's doing to me

Knocked silly, knocked flat, sideways down
These things they pick you up and they turn you around
 Say your piece
 Say you're sweet for me

It's all the same to share the pain with me
It's all the same, save the shame for me
 Left me to love
 What it's doing to me

Baby's got some new rules
Baby says she's had it with me
 There's a fly in the honey
And baby's got a baby with me
That's a part, that's a part of me

 Left me to love
 What it's doing to me
 Left me to love
 What it's doing to me

What about me?

What about me?
