Jess Glynne

I gave you all my money
If love was the currency
If my back was up against it
I'd swear on my property
I know you ain't the one to gamble
I bet you, you gonna win
Lay all your cards on table
Let me know if you're out or inIf you give a little time then I'll be yours (ooh)
Just spend a little time cause it don't cost (ooh)
1, 2, 3, had enough
You plus me that's enough
Put it all down on a good thing
Don't you wanna know what you're missing
1, 2, 3, had enough
What I need aint a lot
Put it all down on a good thing
Don't you wanna know what you're missingPut a little love on me
A little love down on me
Won't you put it down on me
Put a little loving down on meIf you want security
Then baby invest in me
You don't need to bail me out, no
Cause everything I've got is there for you
If you give a little time then I'll be yours (ooh)
Just spend a little time cause it don't cost (ooh)1, 2, 3, had enough
You plus me that's enough
Put it all down on a good thing
Don't you wanna know what you're missing
1, 2, 3, had enough
What I need ain't a lot
Put it all down on a good thing
Don't you wanna know what you're missingPut a little love on me
A little love down on me
Won't you put it down on me
Put a little loving down on meNo, I won't let it all go to waste
Cause I know, yeah, I know what it takes
No, I won't let it all go to waste
'Cause I know, yeah, I know what it takes1, 2, 3, had enough
You plus me that's enough

Put it all down on a good thing
Don't you wanna know what you're missing
1, 2, 3, had enough
What I need ain't a lot
Put it all down on a good thing
Don't you wanna know what you're missingPut a little love on me
A little love down on me
Won't you put it down on me
Put a little loving down on mePut a little love on me
A little love down on me
Won't you put it down on me
Put a little loving down on me
