A Perfect Circle

You're such an inspiration for the ways
That I'll never ever choose to be
Oh, so many ways for me to show you
How the savior has abandoned you Your Lord and your Christ
Took all you had and
Still you pray, you never stray
You never, you never thought to question why It's not like you killed someone
It's not like you drove a hateful spear into his side
Praise the one who left you
Broken down and paralyzed He did it all for you
He did it all for you
Oh so many many ways for me to show you
How your dogma has abandoned you Pray to your Christ, to your God
Never taste of the fruit
Never stray, never break
Never choke on a lie Even though he's the one who did this to you
You never thought to question why
Not like you killed someone
It's not like you drove a spiteful spear into his side Talk to Jesus Christ
As if he knows the reasons why
He did it all for you
Thank your God Your lord, your Christ
He did this
Took all you had
And left you this way Still you pray, you never stray
Never taste of the fruit
You never thought to question why
Thank your God
Thank your God
