

Build a Family

Karen Bolduc

Verse One

Diffâ€™rent hearts, diffâ€™rent lives,
One in the name of God.
Diffâ€™rent hurts, diffâ€™rent needs,
One goal, one mission,
Building the kingdom of God.

Refrain

May we be holy in our lives,
May we shine brightly on our way,
And may we build a family of love
With the grace of God in us
O Saint Monica, pray for us,
Your family of love.

Verse Two

Spread the faith, spread the truth.
Open your heart to God.
If you fall, we will rise.
We are one body,
One in the name of our God.
