

# A Boy And His Machine Gun

## Matthew Good Band

Don't move, stay right where you are  
Talking can only give you away  
And there's so nothing to say  
The voices say hello  
Imprisoned, they're invisible  
But we look a lot alike  
This is boring, all we talk about is you  
Come on give me a reason  
A boy and his machine gun  
When you're finished struggling, are you free tonight?  
Did they stick you in here  
'Cause you weren't working right?  
Don't move stay just like you are  
You look sane motionless like that so very flat  
It's amazing what velocity can do  
When human beings are in season  
A boy and his machine gun, if you're quiet we might see some  
When you're finished struggling, are you free tonight?  
Did they stick you in here  
'Cause you weren't working right?  
There's a TV in every room  
And it's free even pay-per-view  
Which you'll need if no one's going to visit you  
Animal, fucking animal  
I know who you're waiting for  
No one's coming though  
So fuck you and your principals  
And fuck whatever made me  
Perhaps you think I'm evil  
Perhaps you think I'm crazy
