Love Of My Life

Jim Brickman

I am amazed
When I look at you
I see you smiling back at me
It's like all my dreams come trueI am afraid
If I lost you girl
I'd fall through the cracks and lose my track
In this crazy lonely worldSometimes it's so hard to believe
When the nights can be so long
And faith gave me the strength
And kept me holding onYou are the love of my life
And I'm so glad you found me
You are the love of my life
Baby put your arms around me
I guess this is how it feels
When you finally find something real
My angel in the night
You are my love
Love of my lifeNow here you are
With midnight closing in
You take my hand as our shadows dance
With moonlight on your skinI look in your eyes
I'm lost inside your kiss
I think if I'd never met you
About all the things I'd missedSometimes it's so hard to believe
When a love can be so strong
And faith gave me the strength
And kept me holding onYou are the love of my life
And I'm so glad you found me
You are the love of my life
Baby put your arms around me
I guess this is how it feels
When you finally find something real
My angel in the night
You are my love
Love of my lifeYou are the love of my life
And I'm so glad you found me
You are the love of my life
Baby put your arms around me
I guess this is how it feels

When you finally find something real
My angel in the night
You are my love
My angel in the night
You are my love
Love of my life
