Undo Me

Jennifer Knapp

Papa, I think I messed up again
Was it something I did? Was it something I said?
I don't mean to do you wrong
It's just the way of human natureSister, I know I let you down
I can tell by the fact you never come around
You don't have to say a thing
I can tell by your eyes exactly what you meanThat it's time to get down on my knees
And pray, Lord, undo me, put away my flesh
And bone 'til You own this spirit through me
Lord, undo meMama, I know I made you cry
But I never meant to hurt you, I never meant to lie
While the world shook its head in shame
I let you take the blameBrother, I know you labored
So hard to please but I cut you down
And I left you on your knees
Well, I know it must beTime to get down on my knees
And pray, Lord, undo me, put away my flesh
And bone 'til You own this spirit through me LordI am wanting, needing, guilty and greedy
Unrighteous, unholy, undo me, undo meAbba Father, You must wonder why
More times than Peter I have denied
Three nails and a cross to prove
I owe my life eternally to YouAnd it's time to get down on my knees
And pray, Lord, undo me, put away my flesh
And bone 'til You own this spirit through me
Lord, undo me
