It Doesn't Matter

Firefall

She was just lookin'
Wonderin' if you might notice her smile
She was just watchin'
Hopin' you might want to stay for a while
Let her be by your side
You don't have to say why
You don't have to say why
It doesn't matter
She was just lookin' at you

Standing alone while she tells you goodbye
She still wishes you'd stay
Wanting to tell you the way that she feels
She can't think what to say
Except don't walk away
You might need her some day
You might need her some day

It doesn't matter
She was just lookin' at you

She was just watchin'
As you walked away without turnin' around
She was jut cryin'
Her head in her hands and her eyes on the ground
Without making a sound
Oh but don't turn around
Leave her behind
She'll be around
If you change your mind baby

It doesn't matter
She was just lookin' at you
