You And Me

Alice Cooper

When I get home from work
Wanna wrap myself around you
I wanna take you and squeeze you
Till the passion starts to riseI wanna take you to heaven
That would make my day complete
But you and me ain't no movie stars
What we are is what we are
We share a bed, some lovin' and TV, yeahAnd that's enough for a workin' man
What I am is what I am
And I tell you, babe
Well, that's enough for meSometimes when you're asleep
And I'm just starin' at the ceiling
I wanna reach out and touch you
But you just go on dreamin'If I could take you to heaven
That would make my day complete
'Cause you and me ain't no movie stars
What we are is what we are
I tell you sweetheart that's just enough for meYou and me ain't no super stars
What we are is what we are
We share a bed, popcorn and TV, yeahBut that's enough for a workin' man
What I am is what I am
And I tell you, babe
You're just enough for meWhen I get home from work
I wanna wrap myself around you
I like to hold you squeeze you
Till the passion starts to riseI wanna take you to heaven
That would make my day complete
