

# Mercy

## Mr Yels

I've come quickly  
I've come boldly  
To your throne of  
Grace and mercy

My heart is longing  
My heart is panting  
To obtain your  
Grace and mercy

Mercy oh  
Mercy oh  
Mercy oh  
Am nothing without you oh

I am nothing, nothing, nothing  
Without your mercy  
I am nothing, nothing, nothing  
Without your mercy

Mercy oh  
Mercy oh  
Mercy oh  
Am nothing without you oh
