Giving It All

[Bondax](#)

Electric, I feel you
I feel you, oh
Start line, fall down
For you, oh
And I never wanted to let you go
To hold someone
Somebody else, no
Breaking hearts everywhere you go
Tell me where you go
Cause paper hearts were meant to unfoldI keep giving it all, just to love someone
I keep giving it all, just to love someone
I keep giving it all, just to love someone
I keep giving it all, just to loveStars shine, I think I love you
Giving my heart to you
Ill be giving it all
Stop sign, I think I love you
Giving my heart to you
Cause paper hearts were meant to unfoldNo one, before you
No one, no
Sky falls, around you
Before I, let go
And I never wanted to let you go
To hold someone
Somebody else, no
Breaking hearts everywhere you go
Tell me where you go
Cause paper hearts were meant to unfoldI keep giving it all, just to love someone
I keep giving it all, just to love someone
I keep giving it all, just to love someone
I keep giving it all, just to loveStars shine, I think I love you
Giving my heart to you
Ill be giving it all
Stars shine, I think I love you
Giving my heart to you
Cause paper hearts were meant to unfoldStars shine, I think I love you
Giving my heart to you
Ill be giving it all
Stars shine, I think I love you
Giving my heart to you

Cause paper hearts were meant to unfold
