

This Land Is Mine

Dido

From behind these walls I hear your song
Oh, sweet words
The music that you play lights up my world
The sweetest that Ive heard
Could it be that Ive been touched and turned
Oh Lord, please finally, finally things are changing This land is mine but Ill let you rule
I let you navigate and demand
Just as long as you know, this land is mine So find your home and settle in
Ohh, Im ready to let you in
Just as long as we know, this land is mine After all the battles and the wars
The scars and loss
Well, Im still the queen of my domain
And feeling stronger now
The walls are down a little more each day
Since you came, finally, finally things are changing This land is mine but Ill let you rule
I let you navigate and demand
Just as long as you know, this land is mine So find your home and settle in
Ohh, Im ready to let you in
Just as long as we know, this land is mine Follow the days Ive traveled alone
In this cold and colorless place till now
Its what I had to pay This land is mine but Ill let you rule
I let you navigate and demand
Just as long as you know, this land is mine So find your home and settle in
Ohh, Im ready to let you in
Just as long as we know, this land is mine This land is mine but Ill let you rule
I let you navigate and demand
Just as long as you know, this land is mine
