

Sugacaine (LP Version)

Snow

Hey Snow, would you like a line?
Trouble you own my mind is mine
And he said take time take it anyway
I promise you man you'll have a brighter day
And I said give me one whiskey
Give me two shot lord I'm a leprechaun[CHORUS]
Sugacaine gonna mess with you mind yo
Sugacaine don't mess with my mind yoPull up your ready and ride them
Why you give a bigger bag of problems
Rock hard we don't need them
Tell then a once me na go tell them again
Beating on me pressure did a beat down me door
If a light come through my window
Shouts and voice and and I reach at the door[CHORUS]
Hey Snow would you like a light
Trouble you own my mind is mine
And he said take time take it anyway
I promise you man you'll have a brighter day
And I said give me one whiskey
Give me two shot lord I'm a leprechaun
