

I Disappear (Coolie Voodoo Mix By the Bug)

The Faint

I disappear, I lost control
My body's moving on its own
I watch myself walk away
A foreign spirit took my place
An empty stare, its eyes are dull
So my essence, it's riding my pulse
A burst of black, a breath of smoke
I disappear, I lost control
I disappear
I disappear
I disappear, I lost control
My body's moving on its own
I watch myself walk away
A foreign spirit took my place
I disappear
I disappear
I disappear
How could I resist? It's all I've wanted
And now I guess I've got it
Why it happened, I don't know
Hope this doesn't last forever
I disappear
I disappear
I disappear
I disappear
