

On Your Shore

Claire Hamilton

Strange how my heart beats
To find myself upon your shore.
Strange how I still feel
My loss of comfort gone before.
Cool waves wash over
And drift away with dreams of youth
So time is stolen
I cannot hold you long enough.
And so this is where I should be now

Days and nights falling by
Days and nights falling by me.
I know of a dream I should be holding
Days and nights falling by
Days and nights falling by me.

Cool waves wash over
And drift away with reams of youth
So time is stolen
I cannot hold you long enough.
Soft blue horizons
Reach far into my childhood days
As you are rising
To bring me my forgotten ways

Strange how I falter
To find I'm standing in deep water
Strange how my heart beats
To find I'm standing on your shore
