

Insatiable

Darren Hayes

When moonlight crawls along the street
Chasing away the summer heat
Footsteps outside, somewhere below
The world revolves, I've let it go We build our Church above the street
We practiced love between these sheets
The candy sweetness scent of you
It bathes my skin, I'm stained of you And all I have to do is hold you
There's a racing within my heart
And I am barely touching you Turn the lights down low
Take it off, let me show
My love for you insatiable
Turn me on, never stop
Wanna taste every drop
My love for you insatiable The moonlight plays upon your skin
A kiss that lingers takes me in
I fall asleep inside of you
There are no words, there's only truth Breathe in breathe out, there is no sound
We move together up and down
We levitate our bodies soar
Our feet don't even touch the floor But nobody knows you like I do
'Cause the world may not understand
That I grow stronger in your hands Turn the lights down low
Take it off, let me show
My love for you insatiable
Turn me on, never stop
Wanna taste every drop
My love for you insatiable Turn the lights down low
Take it off, let me show
My love for you insatiable
Turn me on, never stop
Wanna taste every drop
My love for you insatiable Turn the lights down low
Take it off, let me show
My love for you insatiable
Turn me on, never stop
Wanna taste every drop
My love for you insatiable Baby, oh yeah
We never sleep, we're always holding hands
Kissing for hours talking and making plans

I feel like a better man, just being in the same room
We never sleep, there's just so much to do
So much to say can't close my eyes when I'm with you
Insatiable the way I'm loving you, oh baby, yeah Turn the lights down low
Take it off, let me show
My love for you insatiable
Turn me on, never stop
Wanna taste every drop
My love for you insatiable Turn the lights down low
Take it off, let me show
My love for you insatiable
Turn me on, never stop
Wanna taste every drop
My love for you insatiable, baby Oh baby, when I'm looking in your eyes
Insatiable, that we ain't loving you
Ohh, looking at you insatiable, insatiable
For you insatiable for you insatiable
Love for you insatiable
Love for you insatiable
Love for you insatiable
...
