

Lost In Space

Luna

It's true you're lazy
You're tired and crazy
And you know there's something more
But you can't give it a name
Someone's selling all your heroes
And they seem so tame You heard it all before
And said your case was tragic
You heard it all before
And now they say it's magic You need time off
For good behavior
And you know there's something else
But you can't give a name
Someone's selling all your heroes
And it seems such a shame You heard it all before
And said your case was tragic
You heard it all before
And now they say it's magic
