

# Motorway

## Little Boots

Foreign names, neon lights  
Changing lanes in my mind  
Passing towns we dont know  
Heading for the unknown  
All our friends, left behind  
Theyre not even on my mind  
They have lives, they have plans  
They could never understandMeet me on the motorway  
Together we could make our great escape  
Meet me on the motorway  
Maybe we can find our perfect place  
We can drive away  
We can drive away  
Meet me on the motorway  
Its just me and you  
Its just me and youGetting late, coffees cold  
Heavy eyes on the road  
We wont stop, no we wont break  
Shadows high, overtake  
And the small town, we left behind  
We wont drown, we wont hide  
A new life, a new plan  
They would never understandMeet me on the motorway  
Together we could make our great escape  
Meet me on the motorway  
Maybe we can find our perfect place  
We can drive away  
We can drive away  
Meet me on the motorway  
Its just me and you  
Its just me and youWe wont look back, so dont look back  
We wont look back, so dont look back  
We wont look back, so dont look back  
We wont look back, so dont look back  
We wont look backMeet me on the motorway  
Together we could make our great escape  
Meet me on the motorway  
Maybe we can find our perfect place

We can drive away  
We can drive away  
Meet me on the motorway  
Its just me and you  
Its just me and you
