## Ampersand

Well, we've been to London and we've been to L.A.  
Spain, New Zealand, and the U.S.A.  
Europe, Japan, and Pango-Pango  
Canada, Siam, Oz and Kamoto  
The kids all come from miles around  
The party gets started when the sun goes down  
A Holiday Inn's the only home I know, I know, I know, I know  
Rock-n-rolls alive 'cause we got the power baby  
Cursing down the highway at 500 miles an hour baby  
We got a fuel-injected tour bus, man it really flies  
With a video tape deck inside  
Let's go, rock-n-roll, everybody come on  
Let's go, rock-n-roll, everybody come on now  
Touring, touring, is never boring  
Touring, touring, is never boring  
Touring, touring, is never boring  
Touring, touring, oh baby, touring  
Especially with your favorite girl  
Touring, touring, all around the world  
Well we've been around this great big world  
And we've met all kinds of guys and girls

From Kamoto Islands to Rockaway Beach  
No, it's not hard, not far to reach  
American girls knock me out, ya know  
Fast cars, cold beer, and rock-n-roll  
America is the only home I know, I know, I know, I know  
Let's go, let's go, let's go, let's go 500 miles to Mexico  
Let's go, let's go, let's go, let's go 200 miles to Tokyo  
Let's go, let's go, let's go, let's go  
Drive, drive, drive the night away  
Straight on through to the break of day  
Drive, drive, drive the night away  
Well, it's in your blood, it's in your blood  
Touring, touring, is never boring  
Touring, touring, is never boring  
Touring, touring, is never boring  
Touring, touring, oh baby, touring  
Especially with your favorite girl now

Touring touring, all around now  
Touring touring, all around the world  
Touring touring, all around now  
Touring touring, all around the world
