

# Dats What I'm Talkin About (Featuring R. Kelly)

## Missy Elliott

Uhh  
Ahh! Have you ever been in the mind of a virgin?  
It gets hot and curious, ohh  
Well let me take you there are you ready, boy?  
Come on baby, strap up, 'cause it might get serious Oh, now there will be some heat and some friction  
Don't get alarmed 'cause I'll put ice just to chill the night  
I'm just being polite  
And I want to see if you're into it  
Intimate kisses and huggings so sentiment, ooh  
With you I might wanna spend my life You make the freak come up out me  
Dats what I'm talkin' about  
Go 'head like it's my birthday  
Dat-dats what I'm talking about  
You make me say, "Aao!" 'Til I can't speak  
Dats what I'm talkin' about  
Baby dat-dat-dats what I'm talking about  
Dat-dats what I'm talking about You don't know just what you do, yeah  
Dats what I'm talkin' about  
When I'm rocking, slow dance with you  
Dat-dats what I'm talking about  
'Cause you put chills on my arm when we kiss, yeah  
Dats what I'm talkin' about  
Baby dat-dat-dats what I'm talkin' about  
Dat-dats what I'm talking about, alright! Now all I wanna do is, baby  
Is make your dove cry and make your body scream like, ah  
Bet your bottom dollar can make you believe that you can fly, yeah  
Well, one hit of this sex weed, guaranteed to get you high Like a mutha for ya, no, baby, you won't even know  
what day it is  
'Cause after I come from downtown  
Girl I'ma wanna go another round, yeah  
Until you tell me carrisley stop, put it like this  
It's like fresh up out the kitchen the way I got your oven so hot, mama! ma hit from the back, and the front, and  
the side  
Then bounce it up and down like this  
And baby, everybody's gonna say, "You're a pimp"  
'Cause I'ma have ya walking with a limp You make the freak come up out me  
Dats what I'm talkin' about  
Go 'head like it's my birthday  
Dat-dats what I'm talking about

You make me say, "Aao!" 'Til I can't speak  
Dats what I'm talkin' about  
Baby dat-dat-dats what I'm talking about  
Dat-dats what I'm talking about You don't know just what you do, yeah  
Dats what I'm talkin' about  
When I'm rocking, slow dance with you  
Dat-dats what I'm talking about  
'Cause you put chills on my arm when we kiss, yeah  
Dats what I'm talkin' about  
Baby dat-dat-dats what I'm talkin' about  
Dat-dats what I'm talking about Sex me, like me  
Kiss me, hold me  
Touch me, feel me  
Do me baby, yeah Sex me, like me  
Kiss me, hold me  
Touch me, feel me  
Do me baby, yeah  
This is the greatest bridge I ever heard  
Alright Yea, Fo shizzle my nizzle  
You sho nuff the dizzle  
And that's on the rizzle, ooo  
Boy, you feel me sizzle  
So sweet helped me do almost anything Oh you make the freak come up out me  
Dats what I'm talkin' about  
Go 'head like it's my birthday  
Dat-dats what I'm talking about  
You make me say, "Aao!" 'Til I can't speak  
Dats what I'm talkin' about  
Baby dat-dat-dats what I'm talking about  
Dat-dats what I'm talking about You don't know just what you do, yeah  
Dats what I'm talkin' about  
When I'm rocking, slow dance with you  
Dat-dats what I'm talking about  
'Cause you put chills on my arm when we kiss, yeah
