

Mile In These Shoes

Jennifer Lopez

Strangers always got some mess to spread
But I have learned to flick them off
Can't walk a mile in my YSL's
I strap 'em on and I walk it off

Got 'em sayin', "I can't believe she did it" "No she didn't"
My wild factor's got 'em crazy (Crazy)
Got 'em sayin', "Yeah, she did it but I can't believe it"
Never say ya can't believe, ha ha...

Even if they try
They still can't walk a mile in these shoes
They couldn't even lace them up right
Honey, these pumps are too big to fill
10 million men can't walk a mile in these shoes

My strut's so fierce
Steven's got 'em mad at me
Laugh and talk behind my back
But they'll never get the best of me
I see 'em, doin' my dance
And I hear 'em, singin' my song
I'm surpassed in the rest
'Cause that's how I was raised to do it

Got 'em sayin', "I can't believe she did it" "No she didn't"
My wild factor's got 'em crazy (crazy)
Got 'em sayin', "Yeah, she did but I can't believe it"
Never say ya can't believe, ha ha...

Even if they try
They still can't walk a mile in these shoes
They couldn't even lace them up right
Honey, these pumps are too big to fill
10 million men can't walk a mile in these shoes

Even if they try
They still can't walk a mile in these shoes
They couldn't even lace them up right
Honey, these pumps are too big to fill

10 million men can't walk a mile in these shoes

I'm walkin' tall
I don't let their hatred test me
They bite the dust
Head above water they still can't breathe
My feet pound the ground
As I stomp it out
I dare you
To walk a mile in my shoes

Even if they try
They still can't walk a mile in these shoes
They couldn't even lace them up right
Honey, these pumps are too big to fill
10 million men can't walk a mile in these shoes
