

# The Emperor's New Clothes

SinÄ,Â©ad O'Connor

It seems like years since you held the baby  
While I wrecked the bedroom  
You said it was dangerous after Sunday  
And I knew you loved me  
He thinks I just became famous  
And that's what messed me up  
But he's wrong, how could I possibly know what I want  
When I was only twenty-one?  
And there's millions of people  
To offer advice and say how I should be  
But they're twisted and they will never be  
Any influence on me but you will always be  
You will always be  
If I treated you mean  
I really didn't mean to  
But you know how it is  
And how a pregnancy can change you  
I see plenty of clothes that I like  
But I won't go anywhere nice for a while  
All I want to do is just sit here  
And write it all down and rest for a while  
I can't bear to be in another city  
One where you are not  
I would return to nothing without you  
If I'm your girlfriend or not  
Maybe, I was mean  
But I really don't think so  
You asked if I'm scared  
And I said so  
Everyone can see what's going on  
They laugh 'cause they know they're untouchable  
Not because what I said was wrong  
Whatever it may bring  
I will live by my own policies  
I will sleep with a clear conscience  
I will sleep in peace  
Maybe, it sounds mean  
But I really don't think so  
You asked for the truth

And I told you  
Through their own words  
They will be exposed  
And they got a severe case of  
The Emperor's new clothes  
The Emperor's new clothes  
Emperor's new clothes  
The Emperor's new clothes
