Revelation - Divus Pennae Ex Tragoedia

Symphony X

Against the wall, they see you
No where to run, nowhere to hide
Hero in mask, the cracks are showing
A faceless god to shade to perfect lightWounds of hate that pierce so deep
They never die
Oh, my revenge is bitter sweetLost in the night
Wandering alone
Try as I might to escape the fight
It never lets me go
Oh no, oh no, I've got to find a way
A way, a way, a way to rise above it allSavior or fool, the mystery
Fades into the cruel shade night
The broken disguise, can not comprehend
What was and will be
Until the very endWounds of hate that pierce so deep
They never dieOh, my revenge is bitter sweet
Lost in the night
Wandering alone
Try as I might to escape the fight
It never lets me go
Oh no, oh no, I've got to find a way
A way, a way, a way to rise above it allYeah!Oh, when the north wind steep
That is when we'll meet again
Oh, when the shadows keep
In the twilight I'll descendGood and evil
Never ends
Your just a means to an end!Against the wall, they see you
No where to run, nowhere to hide
Hero in mask, the cracks are showing
A faceless god to shade to perfect lightWounds of hate that pierce so deep
They never die
Oh, my revenge is bitter sweetLost in the night
Wandering alone
Try as I might to escape the fight
It never lets me go
Oh no, oh no, I've got to find a way
A way, a way, a way to rise above it allSavior or fool, the mystery
Fades into the cruel shade night
The broken disguise, can not comprehend

What was and will be
Until the very endWounds of hate that pierce so deep
They never die
Oh, my revenge is bitter sweetLost in the night
Wandering alone
Try as I might to escape the fight
It never lets me go
Oh no, oh no, I've got to find a way
A way, a way, a way to rise above it allAgainst the wall, they see you
Nowhere to run, nowhere to hideHero in mask, the cracks are showing
A faceless god to shade to perfect lightWounds of hate that pierce so deep
They never dieOh, my revenge is bitter sweetLost in the night
Wandering alone
Try as I might to escape the fight

Oh no, oh no, I've got to find a way

Oh, my revenge is bitter sweetLost in the night
Wandering alone

Oh no, oh no, I've got to find a way
A way, a way, a way to rise above it all
