Ur Boyfriend

Bloxx

I don't mind, I don't mind at all
She makes me feel whole
I could say, why don't we run away
to a better place, yeah

Your boyfriend, I don't love him
I've seen him, playing his game

Playing his game, oh yeah I've seen him playing games
Playing his game, Oh yeah, I've seen him playing games

I don't mind, I don't mind it all
she's in my head, Yeah
And Your Boyfriend, I can't stand it
and i"ve seen him, PLaying his game

Playing his game, oh yeah I've seen him playing games
Playing his game, Oh yeah, I've seen him playing games

Long way to cool your body down
wide away i see it clearly now
holding on, i know i let you down
try my best to make you come around, come now

Playing his game, oh yeah ive seen him playing his games
playing his game, oh yeah ive seen him playing his games
