

# Ride the Lightning (Boom Box Demo)

## Metallica

Guilty as charged but damn it, it ain't right  
There's someone else controlling me  
Death in the air, strapped in the electric chair  
This can't be happening to me Who made you God to say  
I'll take your life from you? Flash before my eyes  
Now, it's time to die  
Burning in my brain  
I can feel the flame Wait for the sign to flick the switch of death  
It's the beginning of the end  
Sweat, chilling cold as I watch death unfold  
Consciousness, my only friend My fingers grip with fear  
What am I doing here? Flash before my eyes  
Now, it's time to die  
Burning in my brain  
I can feel the flame Someone help me  
Oh please, God help me  
They are trying to take it all away  
I don't want to die Someone help me  
Oh please, God help me  
They are trying to take it all away  
I don't want to die Time moving slow, the minutes seem like hours  
The final curtain call I see  
How true is this? Just get it over with  
If this is true, just let it be Wakened by horrid scream  
Freed from this frightening dream Flash before my eyes  
Now, it's time to die  
Burning in my brain  
I can feel the flame
