

# Think About It

Melanie C

I I know I shouldn't be doing this  
Why can't I stop?  
Butterfly, blood rush, everything's telling me to run  
But I'm not

You only regret what you don't do  
Why don't we do what we want to now  
Don't give me time to back out

Cause I don't wanna think about waking up, making up lies  
Trying to pretend that we didn't do what we're doing  
I don't wanna think about  
Real life, not tonight  
I don't wanna think about anyone, anything, anyway  
If there's a chance we'll break  
I wanna smash into pieces  
Let's make a big mistake  
But I don't wanna think about it  
I don't wanna think about it

My heart beats my head  
And I'm letting it take me over  
I gotta keep going can't stop can't sleep  
Cause tomorrow I'll be sober

You only regret what you don't do  
Why don't we do what we want to now  
Don't give me time to back out

Cause I don't wanna think about waking up, making up lies  
Trying to pretend that we didn't do what we're doing  
I don't wanna think about  
Real life, not tonight  
I don't wanna think about anyone, anything, anyway  
If there's a chance we'll break  
I wanna smash into pieces  
Let's make a big mistake  
But I don't wanna think about it  
I don't wanna think about it

Only regret the things that you don't do  
Do do do what you want to  
Only regret the things that you don't do  
Do do do what you want to

I wanna feel something I've never felt before  
And I don't care if it hurts, it's worth it, yeah  
I wanna be someone I've never been before  
So I'm gonna run and I'm gonna close my eyes  
I'm gonna jump into the fire

Cause I don't wanna think about waking up, making up lies  
Trying to pretend we didn't do what we're doing  
I don't wanna think about  
Real life, not tonight  
I don't wanna think about anyone, anything, anyway  
If there's a chance we'll break  
I wanna smash into pieces  
Let's make a big mistake  
But I don't wanna think about it  
I don't wanna think about it

Only regret the things that you don't do  
Do do do what you want to  
Only regret the things that you don't do  
Do do  
Let's do what we want to
