

Get You (feat. Kali Uchis)

Daniel Caesar

[Verse 1: Daniel Caesar]

Through drought and famine, natural disasters

My baby has been around for me

Kingdoms have fallen, angels be calling

None of that could ever make me leave You're all I need

Every time I get a bit inside I feel it [Chorus: Daniel Caesar] Oooooooh, who would've thought I'd get you [Verse

2: Daniel Caesar]

And when we're making love

Your cries they can be heard from far and wide

It's only the two of us You're all I need [Chorus: Daniel Caesar]

Oooooooh, who would've thought I'd get you

Oooooooh, who would've thought I'd get you [Verse 3: Kali Uchis]

And I'll take some time

Just to be thankful

That I had days full of you, you

Before it winds down into

The memories, It's all just memories [Bridge: Daniel Caesar]

(If you've got someone you like...)

Don't you love when I come around

(...feel something that's right somebody just tell somebody)

you up then I take you down

(If you've got someone you like...)

Don't you love when I come around

(...feel something that's right somebody just tell somebody)

Build you up then I take... [Chorus: Daniel Caesar]

Oooooooh, who would've thought I'd get you

Oooooooh, who would've thought I'd get you [Outro: Kali Uchis]

This feels like summer

Boy you make me feel so alive

Just be my lover

Boy you'll lead me to paradise
