

# Land O' Free Love & Goodbye

[Cat Stevens](#)

Oh the trees grow higher than the mountains  
In the land of free love and goodbye  
The river's ever flowing, fishing growing  
And the God I love loves me.  
In the sky rides a gleam of white horses  
And the glimmer clean in your eye  
The bird of dawn is bringing  
The simpleness of singing  
And the God I love loves me.

Oh the trees grow higher than the mountains  
In the land of free love and goodbye  
The river's ever flowing, fishing growing  
And the God I love loves me.  
And the sun lies all around  
And everything is as it must be  
And winter lies underground  
And the God I love loves me.
