

# Unholy Blasphemies

## Morbid Angel

Rise through the gate, Iak Sakkath  
From depths beyond the sky  
The realm of evil Gods  
Painful, eat your mind Evil undisguised  
Breathe in pain  
Blackened souls remain Ghouls who pray death of God  
Destroy Jehovah's church  
Vomit upon the cross  
And burn Book of Lies Evil undisguised  
Breathe in pain  
Blackened souls remain Ghouls who pray death of God  
Destroy Jehovah's church  
Vomit upon the cross  
And burn Book of Lies Evil undisguised  
Breathe in pain  
Blackened souls remain Yog Sothoth evil one  
Come forth, taste the blood  
Infant entrails  
Are hung upon the twisted cross Evil undisguised  
Breathe in pain  
Blackened souls remain
