

It's Her Factory

Gang of Four

Items, daily press, views to suppress
Subject, story on the front page suffering from suffrage
Title, unsung heroine of Britain position to attain
Housewife, heroines addicted to their homes
Its her factory, it's a factory
Its her duty, its her factory
Its her factory, it's a factory
Paternalist, journalist
He gives them sympathy because they're not men
Scrubbing floors they're close to the earth
In a man's world, they're not men
In a man's world, because they're not men
In a man's world, because they're not men
In a man's world, because they're not men
In a man's world, in a man's world
A little of a lot, keeps them happy
Avoid the answers, but keep them snappy
That's all
