Over The Line

Rip Masters

Covered the skin but I can't still feel
The ways you left me for dead
Uncover the sin to let the scars reveal
The blood that flowed from me
Over the line, sun burns like fire
And this is all in my head
The pressure pushes me
Over the line
Held it within 'cause you couldn't
Just be perfect for everyone
Feel the cave in and let the dirt conceal
The warmth you stole from me
Over the line, sun burns like fire
And this is all in my head
The pressure pushes me

Over, over the line
This resentment won't be the end of me
Hatred will pull you under
Be sure I'm not holding my breath
Not holding my breath 'cause it's
Over the line, sun burns like fire
And this is all in my head
The pressure pushes me
Over
Over the line, sun burns like fire
And this is all in my head
The pressure pushes me over
Over, when it's over
Over the line
