Don't Cry

Boy George

You say that you're misunderstood
But you like it that way
And then you say you're lonely
Well, that's the price you pay, yeahAnd I don't think I love you
That's the cruelest game we play
But I love you that wayYou're the perfect lover
Why don't you stay?
You're the perfect lover
Ain't it always that way? YeahYou feel a little twisted
You feel a little pain, yeah
You feel a little hateful
Don't worry, you'll feel that way againCry, don't cry
Don't cry for me
Cry, don't cry
Don't cry for me, cryThey say that you're not beautiful
But you are in my eyes
You say, my love's too heavy
Well, that comes as no surpriseYou're the perfect lover
Why don't you stay? Yeah
You're the perfect lover
Oh, ain't it always that way? YeahYou feel a little twisted
And you feel a little pain, yeah
You feel a little hateful
Don't worry, you'll fall in love againCry, don't cry
Don't cry for me
Cry, don't cry
Don't cry for meIt's already over
There's nothing to say
It's already over
But you need love to show you your wayDon't cry for me
Don't you cry
Don't cry
Don't cry for me
Don't cry
Don't cry for me
