

# Rebel's Hop

**Bob Marley**

No water can quench my thirst  
I'm in bed send me a nurse  
I'm thirsty thirsty Lord o' Mercy  
Ooh we, other? the bottle, sweeter the victory  
I've got your love, the power of your glory  
Aah, Ooh yeah, trillin' me, alright  
Can't judge a mother by the ? of the father  
Can't judge a book by the ? on the cover Read me read me baby No water can quench my thirst  
I'm in bed, need a nurse  
Can you understand  
Do you understand me baby I've got a bottle, sweet the victory  
I've got your love, the power of your glory  
Aah, Ooh we, alright  
You've got your love and I've got mine  
Can't you ? they work fine Do you believe me, baby, get it up baby  
Break it back, turn it loose  
What in heaven baby it got to choose
