Sucks

Kiemsa

We like talking dirty
We smoke and we drink
We're KMFDM
And all other bands stink
Our music is sampled, totally fake
It's done by machines
'Cause they don't make mistakes
We don't have no lyrics, our message is nil
We hate all DJs, they're makin' us ill
Whatever we tell you is meant to be crap
We hate all music and especially rap
We don't like Michael Jackson
We hate Depeche Mode
We don't care for Madonna
Or Kylie Minogue
Our records have stickers

With a warning from Tipper
'Cause they're no good for kids
If we'd get her, we'd strip her
KMFDM forward
The ultimate sound
And a message from Satan
If you turn it around
You might think we're stupid
But we're way above it
We don't give a shit
And the kids just love it
We won't sell to a major
For a couple of bucks
No doubt about it, KMFDM sucks
KMFDM sucks
KMFDM sucks
