

# Sweet Lady

## Boss Tweed

Sweet lady would you be my  
Sweet love for a lifetime  
I'll be there when you need me  
Just call and receive me Now any other day  
I would play it cool  
But I can't now cause I want you  
See I'm hooked on  
How you flex your style  
And I wanna talk for a little while  
I never really seen your type  
But I must admit that I kinda like  
So maybe if you have the time  
We could talk about you being my [Chorus]  
Sweet lady would you be my  
Sweet love for a lifetime  
I'll be there when you need me  
Just call and receive me  
Sweet lady would you be my  
Sweet love for a lifetime  
I'll be there when you need me  
Just call and receive me Now on the regular  
I would waste time but I don't want to  
Cause you're so damn fine  
And I heard that you were taken  
But that don't have to stop you from makin  
Late night phone calls on the telephone  
About your fantasies and ways to get it on  
When you need me I will be  
There for you my sweet lady [Chorus] Say you will be baby  
Say you will be my lady  
I've got to have all your love  
So I wont even front  
Just say you'll give it to me  
Don't wanna hear the maybe's  
And I will give you all my heart  
If you say you'll be my baby [Chorus]
