

# I Deserve to Breathe (feat. Adeva)

## Louie Vega

Album Mix

Ever-drowning...Time rushes in like a wave  
You know I feel it... pushing on me  
I ad-mit I'm not a afraid, noooooah  
Forever swimming - ever-drowning  
I - get along fine without the tight minds and all the ego, and...  
I - feeling that stuff around me, ooah, and.  
I - never I've learned to survive, so why don't just let me go, 'cause  
I - can't let it get the best of me (of me).  
I, I deserve to breathe - and I can't get it out of my head  
All that's happening, what's going on in my world?  
I, deserve to breath, and I can't get it out of my head  
My head (my head)  
My head  
(repeat whole 1x)  
Don't you know things gotta change  
So I wish for a revolution to  
make - a - new - way!  
Like a moth - to a flame  
So my blinded to desire  
Can ever get no higher...  
I - get along fine without the tight minds and all the ego, and...  
I - feeling that stuff around me, ooah, and.  
I - never I've learned to survive, so why don't just let me go, 'cause  
I - can't let it get the best of me (of me).  
I, I deserve to breathe - and I can't get it out of my head  
All that's happening, what's going on in my world?  
I, deserve to breath, and I can't get it out of my head  
My head (my head)  
My head  
(repeat whole 3x)  
It's time for a revolution  
Make a new way  
(Repeat 3x)  
Take it higher!  
I-I Deserve to breathe...  
(repeatr 4-5 times... then)  
- 2x  
Desire - Desire (Take it Higher!)
