

# Don't Say You Love Me

Krissy & Ericka

I got introduced to you by a friend  
You were cute and all that, baby you set the trend; yes, you did  
The next thing you know were down at the cinema  
Sitting there, you said you loved me what's that about  
You're moving too fast I don't understand you  
I'm not ready yet baby, I can't pretend no, I can't  
The best I can do is tell you to talk to me  
It's possible, eventual love will find a way Don't say you love me  
You don't even know me  
If you really want me then give some time  
Don't call me baby not before I'm ready don't say your heart in hurry  
Not like we're gonna get married  
Give me, Give me some time  
Ohhh, Ohhh Here's how I play here's where you stand  
Here's what to do to get any further than where it's been  
I'll make it clear, not gonna tell you twice  
You better take it slow keep pushin' me, keep pushin' me away Don't say you love me  
You don't even know me  
If you really want me then give some time  
Don't call me baby not before I'm ready don't say your heart in hurry  
Not like we're gonna get married  
Give me, Give me some time Ooh, na na na na na na, na na na na na na  
Ooh, na na na na na na, na na na na na  
Don't say you love me  
You don't even know me, baby, hey hey [Repeat CHORUS underneath] Baby, don't say you love me, baby  
Give me some time  
Don't say your heart's in a hurry  
Not like we're gonna get married  
Give me, give me some time
