

Brothers In Arms

W.E.T.

Here today, and gone tomorrow
Let's make the most of everything we got
Heaven's here, if you want it
I know some people's saying that it's just
The rise before the fall
We are brothers in arms, you were partners in crime
We are brothers in arms
There's no end, and no beginning
It's only love that makes this thing go round
World ain't fair, in case you're wondering
What goes around will always come around
We are brothers in arms, you were partners in crime
We are brothers in arms
I believed I was colour blind
I believed we could change our minds
I believed there's were more to life
Than what we see, than what we feel
I believed we don't need more guns
I believed in miracles
I believed that we are all one
We are one, we are one
One
One
(Break-down)
Enough is enough
Let's spread our love
Let's rise above, rise above
Enough is enough
Let's spread our love
Let's rise above, rise above
Together one and all
We are brothers in arms, you were partners in crime
We are brothers in arms
Woaaaaaaaaah
Woah
You were partners in crime
We are brothers in arms
