

Shirley (feat. Johnny Marr)

Billy Bragg

Shirley
It's quite exciting to be sleeping here in this new room
Shirley
You're my reason to get out of bed before noon
Shirley
You know when we sat out on the fire escape talking
Shirley
What did you say about running before we were walking? Sometimes when we're as close as this
It's like we're in a dream
How can you lie there and think of England
When you don't even know who's in the team Shirley
Your sexual politics have left me all of a muddle
Shirley
We are joined in the ideological cuddle I'm celebrating my love for you
With a pint of beer and a new tattoo
And if you haven't noticed yet
I'm more impressionable when my cement is wet Politics and pregnancy
Are debated as we empty our glasses
And how I love those evening classes Shirley
You really know how to make a young man angry
Shirley
Can we get through the night without mentioning family? The people from your church agree
It's not much of a career
Trying the handles of parked cars
Whoops, there goes another year
Whoops, there goes another pint of beer Here we are in our summer years
Living on ice cream and chocolate kisses
And would the leaves fall from the trees
If I was your old man and you were my misses? Give my greetings to the new brunette
Shirley
Greetings to the new brunette
Shirley
Greetings to the new brunette
Shirley
Greetings to the new brunette
Shirley
