

# Burn It Down

## Daughter

Always said I was a good kid  
Always said I had a way with words  
Never knew I could be speechless  
Don't know how I'll ever break this curse Now the world is only white noise  
Frequencies that I can't understand  
I can't be bothered with the teachers  
Always trying to shape the way I act Burn it down, burn it down, burn it down, burn it down  
I'll set fire to the whole place  
I don't even care about our house  
It's not the same in here since he left anyways Burn it down, burn it down, burn it down, burn it down Always  
said I was a good kid  
Always said I had a way with words  
Never knew I could be speechless  
Don't know how I'll ever break this curse Now the world is only white noise  
Frequencies that I can't understand  
I can't be bothered with the teachers  
Always trying to shape the way I act Burn it down, burn it down, burn it down, burn it down Mamma told me all  
of this is  
Just a place we have to settle for  
Less than anything we dream on  
We'll continue to be disappointed  
I feel down, I feel down, I feel down, I feel down  
I feel down, I feel down, I feel down, I feel down Burn it down, burn it down, burn it down, burn it down  
Burn it down, burn it down, burn it down, burn it  
Burn it, burn it
