In Your Atmosphere

John Mayer

I don't think I'm gonna go to LA anymore
I don't think I'm gonna go to LA anymore
I don't know what it's like to land and not race to your door
I don't think I'm gonna go to LA anymore
I don't think I'm gonna go to LA anymore
I'm not sure that I really ever could
Hold on to your hotel key in your bedroom neighborhood
Me sleep-walking in Hollywood
I'm gonna steer clear
I?d burn up in your atmosphere
I'm gonna steer clear
?Cause I'd die if I saw you
I'd die if I didn't see you there
So I don't think I'm gonna go to LA anymore
I don?t think I'm gonna go to LA anymore
I get lost on the boulevard at night
Without your voice to tell me ?I love you, take a right?
The ten and the two is the loneliest sight
I'm gonna steer clear
I?d burn up in your atmosphere
I'm gonna steer clear
?Cause I'd die if I saw you

I'd die if I didn't see you
I'm gonna steer clear, oh yeah
I?d burn up in your atmosphere
I'm gonna steer clear
?Cause I'd die if I saw you
I'd die if I didn't see you there
See you there
I think I'm gonna stay, gonna stay in the gray
I think I'm gonna stay, gonna stay, gonna stay
And all the streetlights say nevermind, nevermind
And the canyon lines say nevermind
And sunset says we see this all the time, nevermind, never you mind
Wherever I go, whatever I do
I wonder where I am in my relationship to you
Wherever you go, wherever you are
I watch your life play out in pictures from afar

Wherever I go, whatever I do
I wonder where I am in my relationship to you
Wherever you go, wherever you are
I watch that pretty life play out in pictures from afar
