

What's Love

? (Rain)

Akon and Shaggy, ooh yeah
Love ain't got nothin? to do with it
 Come on now
 Me waan fi leave you long time
 Nuff man a search for your sign
She say she love me till the end of time
But that a not really have pon me mind
 Me waan fi leave you long time
Yuh know enuff a man search fi your sign
 She say she love me till the end of time
 But that a not really I have upon me mind
 What's love gotta do with it
 Gotta do with it, gotta do with it?
 What's love gotta do with it
 Gotta do with it, gotta do with it?
 What's love?
 That's it, can't take no more
I'm leavin?, got one foot through the door
 (But I love you)
 I had my doubts before
I thought it through, now I'm gone for sure
 (But I love you)
 Can't let you tie me down
I wanna have fun and mess around
 (But I love you)
 I gotta stand my ground
Though you're the best thing I found
 What's love gotta do with it
 Gotta do with it, gotta do with it?
 What's love gotta do with it
 Gotta do with it, gotta do with it?
 What's love
 I hope for goodness sake
That you would just cheat, make some mistake
 (But I love you)
 So perfect, [Incomprehensible]
You gave me no reason to escape
 (But I love you)

Won't hide, I got skirts to chase

Don't wanna be throwin' it in your face

(But I love you)

I pray to God some days

We fight and go our separate ways

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love

Me waan fi leave you long time

Enough of man a search for your sign

Say that she love me till the end of time

But a that not really have pop me mind

Me want fi leave you long time

Enuff of men a dem search for your sign

Say that she love me till the end of time

But that I not really have pop me mind

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love gotta do with it

Gotta do with it, gotta do with it?

What's love gotta do with it

What's love gotta do with it
Gotta do with it, gotta do with it?

What's love gotta do with it

What's love gotta do with it
Gotta do with it, gotta do with it?

With it, gotta go.
