

# I Dare You

**LeAnn Rimes**

God only knows how I've needed a friend  
Who can see through the boldness and pride  
Someone strong enough I can put my faith in  
Someone willing to let me insideSo be a man

And be my manI dare you to need me

Like nobody else

I dare you to feel me

Like you've never felt

I dare you to want to want

To wanna be good to meBaby you've got your reasons

Dangling from kite strings

But you can open your hands

Let them flyOh, I know you wont always say

And do the right things

Oh, but some things are worth a trySo if you can

Be my manI dare you to know me

Like I've never known

I dare you to show me

That I can be shown

Dare you to want to want

To wanna be good to meTell me I, tell me I'm the one who deserves you

Oh, and every time, every time

You know that you want to

I dare youI dare you to hold me

Like you never will again

Kiss me and leave

The world standing still

Dare you to want to wantI dare you to need me

Like nobody else

I dare you to feel me

Like you've never felt

I dare you to want to want

To wanna be good to meI dare you to want to want

To wanna be good to me
