

Some of Shelly's Blues

Nitty Gritty Dirt Band

Tell me just one more time
The reasons why you must leave
Tell me once more why you're sure you don't need me
Tell me again but don't think that you'll convince me Now you've said
Before falling in love again you'd rather be dead
'Cause when someone breaks your heart, you cry your eyes red
But there's nothin' so hard about the life that you've lead As far as I can see, there's no reason for goodbyes
You're just running scared and that's something I won't buy So you lose
I won't let you go with nothing to show but more blues
And all this talk about leavin' is strictly bad news
So you settle down and stay with the man that loves you As far as I can see, there's no reason for goodbyes
You're just running scared and that's something I won't buy So you lose
I won't let you go with nothing to show but more blues
And all this talk about leavin' is strictly bad news
So you settle down and stay with the man that loves you
You settle down and stay with the man that loves you
