

The Sun

Gotcha, gotcha, gotcha, gotcha, gotcha, gotcha, gotcha! Lust- crazed and underaged in teenage rampage

(Extra! Extra! Read all about shit!)

Purgatory sex orgy, bible-bashing whorish Tories

Public virtue, private vice, animal sacrifice

Muslim terror, horror in the air and

Kylie is an alien. Transvestites in the House of Commons

Margaret Thatcher, witches coven

(I told you not to do that, Denis)

A journey to hell through a virgin blood bath

(I was a teenage twelve-year-old)

Trio in a love nest

Kylie is a Brussels sprout. Reform girls eat castrated cocker spaniel

Minister in panty raid, schoolgirl scandal

Pervert! Vandal! Impaled on the handle!

Bug-eyed fruit-loops

We are at war with evil

We are at war with evil

We are at war with evil

Gotcha! Here comes the Sun, the Guardian and the Truth

The Herald, The Times, delivered to me and you.

I read it all in letters ten foot tall

The news of the newspapers writing on the toilet walls Siamese twins in incest torture chambers

("Hurt me, hurt my brother, just hurt my brother")

Herbal remedy for terminal cancer

Midget doctor, caesarean catastrophe

Test tube baby turns to black tar algae

(I didn't mean to hurt her, the bastards forced me)

Acupuncture proves to be cure for haemophilia

(What the fuck are you doing?

What the fuck are you doing?

I'm trying to help!)

Kyle has a sister

Dannii! Urrghh! Quiet student real life pantyhose serial killer

("Norman, Norman, act like a man")

Violent sex crime and a cannibal dinner

(He puts the lotion on its skin and puts it in the basket)
Dwarf and giant in dirty sex video
Man dies of rust after eating auto
Polygamy for lager lout
(My friend is a Brussels sprout)
And Kylie is a poofter
And Jason is a hetero
(Ooh Jason!) Boy, 5, gives birth to deformed older brother
Maltese girl, 13, great-great-grandmother
Sewerage system feeds a two-headed monster
Medal of honor for an armless butcher
We are at war with evil
We are at war with evil
Gotcha! Here comes The Sun, the news of the world
The page three lady, she's a big big girl
I read it all in letters ten foot tall
The views of the newspapers smearing shit down toilet walls
Through the halls,
Across the floors,
Smearing shit over us all
AllGotcha!
