

# Some of Shelly's Blues

## The Nitty Gritty Dirt Band

Tell me just one more time  
The reasons why you must leave  
Tell me once more why you're sure you don't need me  
Tell me again but don't think that you'll convince me  
Now you've said  
Before falling in love again you'd rather be dead  
'Cause when someone breaks your heart, you cry your eyes red  
But there's nothin' so hard about the life that you've lead  
As far as I can see, there's no reason for goodbyes  
You're just running scared and that's something I won't buy  
So you lose  
I won't let you go with nothing to show but more blues  
And all this talk about leavin' is strictly bad news  
So you settle down and stay with the man that loves you  
As far as I can see, there's no reason for goodbyes  
You're just running scared and that's something I won't buy  
So you lose  
I won't let you go with nothing to show but more blues  
And all this talk about leavin' is strictly bad news  
So you settle down and stay with the man that loves you  
You settle down and stay with the man that loves you
